

JWOC Ranking Notes
December 31, 2010

2011 JWOC team selection will be based on the rankings for A-event races, which took place, or will take place, between April 12, 2010, and April 17, 2011.

The rankings listed on the next page are current as of December 31, 2010, but *exclude* all races before April 12, 2010, because those races will be excluded in the final 2011 JWOC selection rankings. Only F-20 and M-20 members of US clubs born in 1991 or later are listed. No determination of actual eligibility for the US JWOC team should be assumed from this list. Questions should be directed to the JWOC Selection Committee, not the Rankings Committee.

The following events are included with the Rolling Rankings of December 31, 2010, but excluded from the JWOC rankings:

- GAOC Georgia Navigator Cup
- BOK Sycamore Scramble & 2010 US Intercollegiate Champs
- SLOC Forest Park Sprint & Hawn State Park Middle
- OCIN Flying Pig XIV & 2010 US Interscholastic Championships

The following 2011 events are expected to be added to the Rolling Rankings before JWOC team selection:

- GAOC Georgia Navigator Cup - 2 races
- OCIN Flying Pig XV - 3-4 races
- BAOC O' in the Oaks & 2011 Interscholastic Championships - 3 races

Please note that ranking scores can and do change quite quickly. An individual's ranking score is based on how well the individual performs at various races compared to the performances of others, as well as *their* ranking scores. Consequently, as the ranking scores for others change, the ranking score for the individual will also change, even if that individual has not run in any additional ranked races.

Juniors who wish to be considered for the JWOC team, but will not have the minimum number of **four** ranking races by April 17, 2011, will need to request an exception by petitioning the JWOC Selection Committee. It should be noted that "credit days" will not count toward the minimum of four ranked races required for JWOC selection. These are only considered for determining end-of-year rankings awards.

Please see <http://orienteeringusa.org/us-teams/junior> for complete information on the JWOC team selection process.

JWOC Rankings December 31, 2010

Male (M-20)

JWOC Rank*	Name/Club	Last year JWOC Eligible	Score	Time	# of Events
1	Andrew Childs GMOC	2012	101.03	59:23	7
