

2011 JWOC Scoring List
and
Final Rankings

Notes

April 17, 2011

2011 JWOC Team selection is based on the **Final 2011 JWOC Rankings**, which include all A-event races that took place between April 12, 2010, and April 17, 2011. These ranking lists can be found on Pages 3-5.

On Page 2, orienteers selected for the 2011 JWOC Team, as well as alternates, are presented in the **2011 JWOC Scoring List**. Only those who have a JWOC ranking score of 75 (rounded) or higher, based on at least four ranking races, are included in the Scoring List.

The Scoring List and JWOC Rankings are related to the F-20 and M-20 rankings found in the 12-Month Rolling Rankings, as follows:

- Only orienteers born in 1991 or later, who have raced in the F-20 and M-20 categories, are included in the JWOC rankings; the Rolling Rankings include orienteers who have “aged-out” of F-20 and M-20, if they still have M/F-20 races within the 12-month window.
- Only members of US clubs are included in the JWOC rankings; the Rolling Rankings also include members of non-US clubs.
- The 2011 US Interscholastic Championship races (April 16 and 17), in the High School Varsity Male and Female categories are included in the F-20 and M-20 JWOC rankings; they are not, however, included in the Rolling Rankings, or end-of-year rankings.
- Orienteers who participated in the 2011 US Intercollegiate Championship races (April 16 and 17), in the Varsity Male and Female categories, and were born in 1991 or later, are included in both the JWOC rankings, and the F-20 and M-20 Rolling Rankings (as per a provision of the OUSA Ranking Rules).

Juniors in the Final JWOC Rankings who are not included in the Scoring List, but wish to be considered for the 2011 JWOC Team, will need to request an exception by petitioning the JWOC Selection Committee. The same also applies to anyone already on the Scoring List, who believes that they should have a higher selection rank. Petitions must be submitted by e-mail to Peter Goodwin (pgwolfe AT gmail.com), Janet Porter (djporter2 AT verizon.net), and Jeff Saeger (runwld2 AT junio.com), by midnight, Monday April 25, Pacific Daylight Time. We apologize for the early petition deadline, but it is necessary with preliminary JWOC registration being due on May 1.

It should be noted that “credit days” do not count toward the minimum of four ranked races required for JWOC selection. These are only considered for determining end-of-year rankings awards.

Please see <http://orienteeringusa.org/us-teams/junior> for complete information on the JWOC team selection process.
